On October 29th, 2021, the parties agreed upon a stipulated agreement through a mutual resolution to resolve the case without proceeding further litigation. The time period for the Respondent to meet the obligations of the Agreement has passed and the opposing party is now in default. The balance owing is \$630,000,000.00 (six hundred thirty million U.S. lawful credits). The Complainants request a hearing in order to enforce the agreement of the parties. The Undersigned request reasonable fees, cost, and expenses are separate.

Certificate of Service

The Undersigned certifies that a true copy of this document has been submitted to the Respondent either by hand delivery, process server, or via USPS prepaid postage to the address on file with the state, delivered to his, her, their, or its authorized representative allowed to accept documents on behalf of the opposing party.
